DEPARTMENT OF
HIGHWAY SAFETY AND MOTOR VEHICLES
TALLAHASSEE, FLORIDA 32399-0500

FRED O. DICKINSON
Executive Director

September 30, 2006

To: All Florida Law Enforcement Agencies

From: Michael D. McCaskill, Chief
Bureau of Records, Division of Driver Licenses

Subject: Online Emergency Contact Information for Florida Drivers and
Identification Card holders

Effective Monday, October 2, 2006, the Department will offer customers who hold a current driver license or identification card the ability to establish and provide emergency contact information via the DHSMV homepage (www.hsmv.state.fl.us). Once provided by the customers, this Emergency Contact Information can be accessed through DAVID by law enforcement in the event of an emergency. The customer will enter this Emergency Contact Data through our Website, illustrated below.

Beginning January 1, 2007, the Emergency Contact Information Data may also be entered through any local driver license office.

The screenshot shows the Florida Department of Highway Safety & Motor Vehicles website. The header includes the "MyFlorida.com" logo, the slogan "Making Highways Safe", and navigation links for HSMV Home, Highway Patrol, Driver Licenses, Motor Vehicles, and Español. The main heading is "Emergency Contact Information". Below this, a paragraph explains the service: "This service will allow you to provide emergency contact information to law enforcement in the event of an emergency. This information may save crucial time if ever it becomes necessary to contact family members, or other loved ones. This service is only available to individuals holding a current Florida Driver License or Florida Identification Card." A sub-heading reads: "To submit your contact information, first provide your current Florida Driver License or ID card number and your date of birth." The form area contains a text input field with the instruction "Please enter your current Florida Driver License or Florida Identification Card in the box below." and an example: "Example: Z123-456-78-901-0 (with or without the hyphens)". Below the text field is a "Date of Birth:" section with three dropdown menus for "Month...", "Day...", and "Year...". At the bottom of the form are "Continue" and "Clear" buttons.

Customers may enter information for up to two emergency contacts and three phone numbers per contact, as seen in the next image. Customers may change or update their emergency contact information at any time.
